

## EPA Official Record

**Notes ID:** 31600886D71DD25D862578AF00731544

**From:** Robert Puls/ADA/USEPA/US

**To:** John Satterfield <john.satterfield@chk.com>

**Delivered Date:** 06/14/2011 04:59 PM EDT

**Subject:** flowback, produced water sampling

John

One of the things we plan on doing is time series sampling of flowback from 1 day to 30 days - I remember that some of CHK staff have done this before. Can I rely on their help with that portion of the QAPP - namely how to effectively and safely do it

Bob
